SELF-GUIDED TOUR

together with **Girona Explorers**

1. Cathedral and around

The Cathedral was the **Great Sept of Baelor**, where **Margaery Tyrell's** walk of atonement was to take place before the Lannister Army, with **Jamie Lannister** leading it, tried to stop it.

2. Pujada de Sant Domènec

Young **Arya Stark** is chased by the **Waif** through several of the streets of the Barri Vell. Here, **Arya** jumps from a building into a market right on top of the stairs, and falls rolling down.

Arya Stark buys, here, a passage to sail out of **Braavos**. Also in the market, and inside the Baths, **Arya** runs from the **Waif** after falling into the river, hurt on the bridge while escaping from her.

5. Arab Baths

3. Claveria, Escola Pia and Sant Llorenç

Around these streets we see **Arya Stark** again escaping from the **Waif**, who found her in a house healing from the wounds of their last fight, and starts chasing her again.

6. Plaça dels Jurats and the Galligants

In the square, **Arya Stark** sees a theatre play of how **King Joffrey** dies, poisoned. On the bridge over the Galligants river the **Waif**, disguised as an old lady, stabs **Arya**, who falls into the river.

4. Behind the Cathedral

Arya Stark is blind and begging for money while she's training to become a faceless woman. The **Waif** pays several visits and fights her with a stick, just like **Jaqen H'ghar** does afterwards.

7. Monastery of Sant Pere de Galligants

Samwell Tarly arrives, after a trip to **Oldtown** with **Eli** and their son, to the **Citadel Grand Library**, in order to become the maester at **Castle Black**. The cloyster is shortly seen also in **King's Landing**.

King's Landing is 1 7
Braavos is 2 3 4 5 6
Oldtown is 7
